Trivandrum (Open to relocate) | jeenajee80@gmail.com | +91 8848468119 | linkedin.com | github.com

Objective

Aspiring **Java Full Stack Developer** with a strong foundation in Java, Spring Boot, RESTful APIs, and React. Eager to contribute to real-world software development while continuously learning. Passionate about building clean, scalable, and efficient backend systems and exploring full-stack solutions. Looking for an opportunity to apply my technical skills, problem-solving mindset, and enthusiasm for software engineering in a growth-oriented company.

Skills

Technical Skills:

- **Front end** : React.js, JavaScript, HTML, CSS, Bootstrap, Tailwind CSS
- **Back end** : Java, Spring Boot, JSON, Axios, JWT, REST APIs, Hibernate (JPA), Maven.
- **Database** : MySQL
- **Tools, IDEs** : Postman, VS Code, Spring Tool Suite, Eclipse
- **Version Control**: Git, GitHub

Soft Skills : Strong Communication, Problem-analysis, Adaptability, Time management, Team collaboration
Positive attitude , Problem-solving.

Projects

Online Bus Ticket Booking System

- Developed a full-stack web application for booking bus tickets using React (frontend) and Spring Boot (backend).
- Implemented features such as bus search, filter, seat selection, dynamic pricing, and secure JWT-based authentication.
- Enabled email confirmations and ticket downloads with embedded QR codes.
- Implemented JWT-based authentication, role-based access, and error-handling for secure interactions.
- Tools: Java, Spring Boot, React, MySQL, GitHub, Postman, Maven, JWT

Concert Booking System (Backend-focused)

- Designed and developed backend services using Java and Spring Boot for managing concerts, users, and bookings.
- Created RESTful APIs for event listing, seat reservation, and user authentication.
- Integrated MySQL with JPA/Hibernate for data storage and retrieval operations.
- Applied MVC architecture to maintain clean separation of concerns.
- Tools: Java, Spring Boot, MySQL, Postman, Git, Maven

Certifications

Java Full Stack Development, Mashup Stack

Jul 2024-Mar 2025

Education

- **Bsc in Computer Science** 2021 - 2024
Malankara Catholic College, Kaliyikavilai
- **Higher Secondary** 2018 - 2020
Govt.VHSS, kulathoor Trivandrum

Languages

Malayalam: Native proficiency

English: proficient

Tamil: Conversational
